FOR THE WELL-DESIGNED HOME

NEW STYLES TO ELEVATE ANY DESIGN.

Since 1995, we've been on a mission to demonstrate the impact that well-designed interior doors can have on today's home. This mission has led to numerous innovations, from pioneering the use of MDF for painted doors to developing the industry's broadest made-to-order product line with over 500 styles across all architectural categories. At TruStile, we are constantly pushing the design envelope. See just what we have in store for you with these four new inspiring collections.

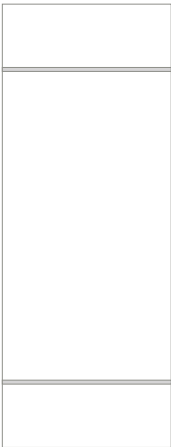

INFINITE RAIL

SLEEK AND STREAMLINED

Modern architecture demands exacting specifications. The Tru&Modern Infinite Rail brings a luxurious level of sophistication with kerf cuts or metal inlays that traverse the complete width of the door. Available in a wide variety of styles, sizes and materials.
